

STEPS AHEAD

A MONTHLY NEWSLETTER FROM

I am happy to release the August '23 month newsletters - 'STEPS AHEAD' which is the 8th edition for this year.

There were multiple camps organized in this month covering Tamil Nadu and Maharashtra. This is in line with our vision to expand our foot print across the India reaching out to the needy beneficiaries in the remote areas. We are very happy to see large team presence of our donors during the distribution camps. This motivates us to continue our work and deliver our best.
